2. Prepare your shoebox

For this process we only accept loose individual photos for our shoe box scanning so remove photos from albums, frames or envelopes. Failure to do so will result in an additional removal fee. (call for pricing)

Please take the time to make sure no stickers, staples, paper clips, post-it notes, etc are attached.

Remove all tape, glue or any other form of attachment from all of your prints.

If you would like your photos to be scanned in a specific order then please write the number on the back of each photo or place a sticky note on the photos. If you would like us to put specific photos in folders the first folder is \$14.95 and each additional folder \$6.95.

Please Note: Anything (i.e. water marks, scratches, pen marks, crease lines etc.) that is on the photograph will be scanned and be visible on the scan. It is our policy to make every effort possible to protect the rights of professional photographers. We will not accept clearly copyrighted work without the written permission of the photographer/creator; they will be returned unscanned.
